****New for 2017****

The introductory bundle (Pictured left)
A diverse product grouping for first time & existing wholesale buyers.

This curated bundle of 20 books is \$265 (\$250+15 s&h). It contains 15 one-of-a-kind handmade books and 5 small pocket notebooks, 20 books in all.

Seasonal themes:

Each bundle is hand curated by me but you can choose between the two themes of the season: **botanical/tree themes** or **graphic/abstract themes**. You can also choose a mix, like what is shown to the left.

Please be aware, these books are one-of-a-kind pieces of art and as such no two will be alike, but they will remain within the given seasonal themes you choose from above. Each bundle will be different, but what you see pictured is very similar to what you will receive. The sizes of the books will always stay the same so you can rely on price points.

We hope this bundle offer will offer your shop a variety of styles, sizes, and price points that will merchandise well together in your shop setting.

Example: If you only want Size C botanical themed books for your store, you can order them at \$14 each but you have to at least order 6 of the same size.
